

ROL International Preschool and Daycare aims at providing safe and nurturing environment, which allows children to explore and discover new possibilities while acquiring knowledge and instilling lifelong attitudes towards school and learning. We inspire curiosity, independence and positive learning focusing on becoming responsible global citizens.

Our institution is young and flourishing. We have been in operation since 2014 and pride ourselves with provision of quality daycare and preschool facilities. Our enrollment levels have been growing and we stand out as committed service providers providing best options to parents of young children aged 2-5 years. We offer blended curriculum which has proven to work well in our learning spectrum.

We are currently looking for an experienced **Early Years Practitioner** to join our dedicated team. The individual should be highly capable and experienced, a team player endowed with knowledge of Early Years Foundation curriculum.

In addition, the successful candidate should demonstrate the following:

- possess a recognized degree qualification specialized in childcare or equivalent childcare education
- be committed to work in partnership with parents
- have proven experience working with the EYFS curriculum
- be enthusiastic to share her knowledge and experience with others

- have experience of planning, observing and recording children's achievements
- previous relevant experience with under 5`s
- have proven skills in positive behavior management
- understanding of safeguarding procedures, basic food hygiene and pediatric first aid
- have excellent communication and written skills in English

In return, the individual will receive a two year renewable contract with competitive remuneration, holiday entitlements and comprehensive benefits with ongoing support and career development.
