# 2019

YEAR BOOK

Enhancing Early Learning Outcomes

## IDEA

Think, Grow and Learn

## Our School Song

ROL our beloved school  
You gave us a chance to play  
Explore and discover new ideas in life.  
You have transformed us  
Into little independent leaders  
Dedicated to excellence

We pledge to be polite, honest,  
Gentle, kind, responsible and helpful to others  
We will always work hard,  
Respecting the people and the  
Environment around us  
You have taught us that the sky  
Has no limit.

## VISION

Our mission is to provide a safe and nurturing environment, which allows children to explore and discover new possibilities while acquiring knowledge and instilling lifelong attitudes towards school and learning.

## our School Prayer

Dear God, Be with us today  
Fill our hearts with joy  
Fill our minds with learning  
Fill our classrooms with peace  
Fill our friendships with kindness  
Fill our school with love  
AMEN ..

## Message From The Directors

Our 2018/19 academic year has been full of learning, fun activities both in and out of school. ROL has continued to set notable high benchmark and standards thereby establishing itself concretely in the marketplace as a place to be for the young ones. The positive affirmations received, validate and confirm the excellent education that our preschool and daycare offers.

These high standards and accolades are as a result of the work of our very amiable and dedicated team of academic and support staff. They have contributed immensely towards these enviable achievements. As the management of this growing institution, we are proud to be associated with all of you and seek to continue nurturing you in this noble career and in the pursuit of your personal aspirations.

Our heartfelt gratitude further goes to our dear parents and well wishers who have been our number one supporters in ensuring that the good intentions for the well being of the children are achieved timely and with more vigor. We appreciate your commitment in correcting our team with the purpose of making our service provision better. As always, we value your contributions, parental involvement and engagements which is instrumental to all that we have been able to accomplish.

Experience has shown that our graduating level for the learners confirms how well we are able to mould and prepare our children to face the gruesome interviews of the bigger schools even at an early age and yet still come out as strong as ever. As ROL team this gives us a lot of satisfaction knowing that our learners enjoy their educational foundation journey with us.

To the 2019 graduating learners, we salute your efforts and set you forth on a successful path. Always remember, "Once you learn to read you will forever be free" - Frederick Douglas

As is customary, we look forward to another great year and to see our continuing and new learners grow academically, socially and emotionally.

## Message From The Academic Desk

We are excited to note that our learners have continued to grow and love learning while in our care.

Though sad to see the eaglets go, but we are happy to set them free to confidently explore the wider and broader learning opportunities. Once again, it is that time of the year when we get to send our graduating learners to a novel yet more exciting future.

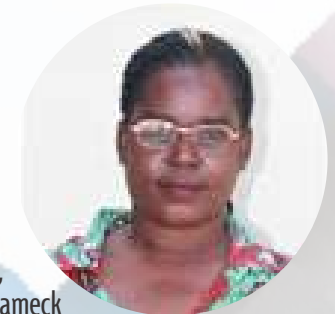

We trust that their accomplishments at ROL will continue to exemplify the quality care and educational provision that the team has always eagerly sought to impart to the learners.

Indeed it is factual that all children have an innate ability to thrive given the encouragement and motivation they deserve. The academic fraternity at ROL continually seeks to nourish this ability by encouraging them to explore and showcase their own talents, through positive interactions with their peers and also opening them to the wider opportunities in knowledge acquisition through appropriate activities both indoor and outdoor.

It gives us pleasure to know that our learners enjoy their learning with us and they show a sense of belonging to ROL.

We couldn't have accomplished so much on our own without the parents help and commitment to ensure that our learners do indeed excel. We look forward to more partnerships in this regard as we challenge ourselves even more to achieve even better.

We sincerely wish our Eagle Class the very best in their new adventures in learning and implore them to become incredible ambassadors of ROL Preschool and Daycare. Go out there knowing that 'all dreams are valid' -Lupita Nyong'o

## SCHOOL ADMINISTRATION DESK

We are honored to diligently serve parents who have chosen to be part of our great family. As a team we aspire to become even better in ensuring that ROL goals and values are achieved optimally with minimal risks.

Enshrined in our code of conduct and set of values are crucial tenets that each and every one of us is happy to live by and imparting the same to our young learners.

This year we have seen our learners enjoy the best in terms of service and together we look forward to improving the not so impressive events that occurred inadvertently. We are grateful to confirm that such incidents did not dampen our spirit and resolve to serve the ROL family even better. I believe that together we can move mountains, echoing the knowledgeable words of Dr. Reginald Mengi, 'I can, I must, I will'.

This academic year built on previous successes and the learners and staff have been able to exceedingly achieve both expected and unexpected with sheer determination. To the entire team we say kudos and let us walk tall in both humility and inward pride.

As we all look back at how our joint efforts have resulted in the successes that we are celebrating this year let us all join hands in ensuring that the next year will equally be successful for working together has made the ROL family stronger, closer and better prepared for the challenges ahead.

Congratulations to this year's graduates and to everyone in the ROL family who have worked so hard!

Thank you,  
Aika Munisi & Nancy Msangi

## OUR WINNING TEAMS

Learn.....Share,  
Grow and Explore  
Together

Children enjoy exciting afternoons full of enriching activities including music, dance, sports, arts, puppet shows, outdoor fun and more! The programs perfectly suit the needs of 3-12 year olds and reflect an integration of physical, cognitive, social, language, self-help and aesthetic skills. Our classrooms are warm and welcoming for learning through stories, songs and art,

# The Robin Class

The little learners have been a joy to teach. Robin team is grateful to see that they have settled in well, grew in knowledge and stature and have shown remarkable improvements in their learning process. We look forward to seeing them join Dove class and achieve even greater heights!

Teachers Grace, Esther and Mwanahamisi.

## The Dove Class
